• The Dr. Elizabeth Woldemussie Centennial Global Health Fund was made possible by a \$250,000 gift from the estate of Elizabeth Woldemussie, an Ethiopian American pharmacologist. This is the largest gift to UCLA's Center for African Studies. This fund is for prioritizing work in Ethiopia and Eritrea.

I am truly honored to have the support of Nipsey Hussle's father Dawit Asghedom who lives in our #CA-32 community. His kind words of my candidacy yesterday were so thoughtful & touching. I promise to continue Nipsey's legacy in community activism.
