**Call for the Expression of Interest To  
Participate in the tender for- Design, Manufacture,  
Transport, Supply of  
substation equipment and materials as well as  
supervision of installation  
of the substation, which will be carried out  
by the owner.**

The Ministry of Energy and Mines of the State of Eritrea has received a grant fund from the **UNDP** for the construction of a new Substation in the town of Adi Keih. Capacity of the substation planned to be constructed is **12 MVA, 66/15 kV**.

Now the Ministry of Energy and Mines invites eligible companies, who are interested to participate in the tender for the above-mentioned project. All interested companies must send - profile of their firms, (including expertise they have, asset & capital of their companies and other important information if any), and their company's **experience in similar projects.**

**Full tender document will be sent to the winning companies one or two weeks after the evaluation for the expression of interest is finalized.**

**the expression of interest is finalized.**  
Companies who decide to participate in the mentioned tender are requested to send an official letter written on a company's headed paper by e-mail to our address written below. The letter must reach us before or on September 17, 2023. Full addresses of the participating companies are mandatory for further correspondences.

**Our correspondence address is as follows-  
[tesfayzekarias1949@gmail.com](mailto:tesfayzekarias1949@gmail.com)**

**Mr. Tesfay Zekarias  
Director General Energy Department,  
Ministry of Energy and Mines  
Asmara - Eritrea**

Information

Information  
The project will include two components: -

- The project will include two components:
