VACANCY ANNOUNCEMENT

Bisha Mining Share Company is inviting interested applicants for the following position for Bisha site project.

Position: Printer Technician
Department: FITS
Section: IT
Number Required: One (01)

Primary Purpose

- The printer technician is responsible for maintaining BMSC's printers and related systems and ensuring they are in an operational state. This includes managing all print consumables and spare parts. In addition the printer technician is responsible for supporting end user print related issues.

Task Description Expanded To Core Performance Areas:-

Printer Installations & Preventative Maintenance

- Work with systems and network teams to install and configure new printers.
- Perform routine cleaning and preventative repairs to printers as per manufacturer's specifications.
- Maintain accurate logs of work performed to assist in identifying problematic printers.

Printer Repairs

- Perform repairs to faulty printers and return to service in a timely fashion.
- Maintain accurate logs of faults and fixes.

Printer Asset & Stock Management

- Maintain accurate asset register of all printers.
- Maintain accurate inventory of all printer consumables.
- Maintain accurate inventory of all printers' spare parts.
- Manage purchasing process to ensure adequate stock levels of all consumables and spare parts.

End User Print Support

- Assist end users with print related issues.

Reporting

- Assist management to produce accurate reports on printer usage.

Unique Requirement

- Strong command of English language (writing/speaking)
